Hockney Portrait of an Artist (Pool with Two Figures)

This talk will look at the careers of both men from Freud's legacy of being brought up in the Berlin of the Weimar Republic and as the grandson of Sigmund, and of Hockney's journey from Bradford to Swinging 1960s London and then to hedonistic California and finally back to Bridlington and his ambitious and extraordinary paintings of the Yorkshire Wolds. The nearly impossible question will be addressed: who is the greater artist?
